

NAVIGATE HYBRID WORK WITH CONFIDENCE

Hybrid work—the blending of remote and on-site work—is a necessity for many businesses. More than extending greater flexibility to employees, it's an opportunity to improve upon how business fundamentally goes about getting work done.

57% see themselves dividing time between being home and on-site¹

93% say video communication will be a key part of their future²

58% see security as one of their biggest hybrid work challenges³

1PATH HELPS MAKE HYBRID WORK FOR YOU

Secure endpoints and close the door on attacks

Provide always-on network connectivity

Empower collaboration and productivity

Simplify network traffic management

Increase efficiency across your organization

THE FOUNDATION OF HYBRID WORK SUCCESS

Your company's agility—the ability to drive efficiency, resiliency, and growth wherever and whenever needed—is the foundation of a successful hybrid work experience.

PROVIDING A CLEAR PATH FOR HYBRID WORK

1Path strengthens your agility by providing solutions that are secure, flexible, and affordable to simplify and support your hybrid work success.

COLLABORATION

Our collaboration tools provide powerful video conferencing, sharing, and calling features that enable your teams, no matter where they are or what device they're using, to meet securely, communicate effectively, and share documents to collaborate freely.

COMPLIANCE

We're proud to partner with Cisco to offer enterprise-grade security solutions that provide a safe and consistent work experience, from anywhere, with flexible identity-based access, zero security compromise, and single pane of glass management across all users and devices.

CONNECTIVITY

Our networking specialists are committed to ensuring your network supports all the business-critical applications needed to connect with suppliers, employees, and customers for an optimized hybrid work experience, without sacrificing security.

NAVIGATE HYBRID WORK WITH CONFIDENCE

1Path helps you navigate the ever-evolving needs of your hybrid workforce, connecting your people and strengthening your ability to drive efficiency, resiliency, and growth to not only keep up with today's demands, but also meet tomorrow's opportunities head on.

1PATH CAN:

Help you develop a long-term hybrid work strategy that will enable your people to work from anywhere.

Walk you through the milestones to ensure you build the ideal hybrid work model that meets your needs.

Offer an easy-to-use and easy-to-set up and manage solution—even if you have a limited IT budget and staff.

Provide fully outsourced managed services and co-managed staff augmentation to meet your long-term goals.
